Item No. 04

ADDRESS BY PATRON

Shri Sudesh Kumar, Patron, IREE & Member (Electrical), Railway Board thanked the IREE. He mentioned that it is the only platform where members can exchange their views among one other. To make IREE more active, the following suggestion were given:

1. Institution should organize at least four to five lecture in a year
2. Each member should share his experience though blog on IREE website.
3. To start various courses for the benefit of the officers & supervisors.
4. IREE should take up the work of Energy Auditor.

During the discussion he also suggested that 3rd February (on 3rd February 1925 the 1st Electric train was run between Bombay VT to Thane) of each year should be celebrated as "Electrical Day".

Members unanimously agreed to observe 3rd February as "Electrical Day".

Item No. 05
